

## Teleios Church Sponsorship Package

Thank you for your interest in SABC's Teleios leadership development program. This package will include brief instructions on how to go about receiving church sponsorship.

This package includes:

- Personal Commitment to home Church declaration form
- Pastoral Commitment declaration form

### Summary of the program

SABC values the church and understands the importance of partnering with churches to develop Christian leadership in young adults. As our local churches identify and invest in their young leaders, SABC will honor that investment with a matching grant.

Please note that this is not an agreement that SABC has with area churches nor is it a for sure thing. It will depend on you inviting and sharing with your church family that this investment into your leadership development is exactly that, an investment, and not something that will be wasted.

SABC provides a sponsorship package that will help you approach your church family to ask them for their help. This could possibly come from a number of areas within your church - for example, a youth camp match fund, or missions fund - so we ask that as you approach your church to join you in this summer, you are prayerful, thoughtful, prepared and creative in your conversation in regards to this partnership.
